Notice required for your bespoke Wedding Cake

We prefer around **3 months'** notice for Wedding Cakes and require a **25% deposit** when placing an order – this is non-refundable. This will secure the date and cover initial design fees.

Cleared payment of the entire balance must be received **within 4 weeks of the event** in order for work on your cake to be completed.

In the event of non-payment of the balance, we reserve the right to consider the order cancelled and the deposit forfeited. Cake orders which are cancelled at short notice (within one month of the event date) will still be charged for in full, as we are rarely able to rebook dates at such short notice.

If we accept a late booking **within 4 weeks of the wedding then the full amount will be payable on order.**

Delivery of your Celebration and Wedding Cakes

- Cake prices include **local delivery within a 5 mile radius of where we are in Bury to areas of Lancashire and Greater Manchester (so for example areas such as Rochdale, Bolton and Rossendale)**
- Beyond 5 miles a delivery fee is charged at **£0.20 per mile**
- The cost includes **assembly at the venue** but does not include the hire of cake stands etc.; assembly – especially of tiered cakes – is very important to get the right look for your special cake and we would encourage you to allow us to do the job for you!
- The **hire of cake stands** start from **£15 per day with a refundable deposit from £40**; this will be returned providing the hire items are returned on time and in good condition
- Of course, you are also welcome to pick up your cake yourself, from Number Ten Coffee Shop in Bury.

To discuss your cake requirements with us, or to place a cake order, please contact Shirley's Cakes and we'll be more than pleased to help you with your unique, special occasion cake.
